

Breanna C. Watson

Junior Frontend Developer | React | Next.js | TypeScript | JavaScript

breanna.watson@yahoo.com | 754-214-1555 | Miami-Fort Lauderdale, FL (Remote, USA) | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Summary

Junior Frontend Developer building responsive, API-driven web applications with React, Next.js, TypeScript, and JavaScript. Completed a frontend internship with Skinstric AI, independently building and deploying an AI-powered image analysis application from Figma designs. Brings seven years of Registered Nurse experience and nine years of U.S. Army service: disciplined execution, precise documentation, and calm problem-solving under pressure.

Technical Skills

Languages & Web: JavaScript (ES6+), TypeScript, HTML5, CSS3, semantic HTML, responsive and mobile-first design

Frameworks & Libraries: React, Next.js, Tailwind CSS, React Router, Zustand, React Slick

Backend & APIs: REST APIs, JSON, Axios/fetch, Firebase (Auth, Firestore), NextAuth, MongoDB, Stripe integration

Tools & Platforms: Git, GitHub, Vite, npm, Vercel, VS Code, Figma

Experience

Skinstric AI (Remote) Sep 2026

Frontend Developer Intern

- Built and deployed an AI-powered skincare analysis application in Next.js and TypeScript from provided Figma designs, shipping onboarding, image upload, and live camera capture flows.
- Integrated REST APIs with JSON data handling, input validation, and interactive demographic results; delivered through a Git/GitHub workflow to Vercel with mentor approval.

VITAS Healthcare (Remote) Feb 2026 - Present

Telecare Triage Registered Nurse

- Manage concurrent remote triage workflows with accurate documentation, rapid prioritization, and independent judgment.

HCA Healthcare / HealthTrust Jan 2024 - Present

Registered Nurse, Med-Surg/Telemetry & Behavioral Health

- Work in high-accountability environments requiring precise documentation, prioritization, and adaptability.

U.S. Army Reserve Apr 2017 - Present

Registered Nurse (66H), 2024 - Present | Horizontal Construction Engineer (12N), 2017 - 2024

- Lead complex assignments emphasizing accountability and coordination; Army Commendation Medal recipient.

Selected Projects

Summarist

- Next.js, TypeScript, and Firebase: authentication, Firestore, Stripe integration, search, and a custom audio player.

Netflix Clone

- Next.js, TypeScript, MongoDB, and NextAuth: multi-provider sign-in, TMDB movie data, profiles, and responsive layouts.

NFT Marketplace

- React and JavaScript: API-driven carousels with React Slick, countdown timers, skeleton loaders, and responsive UI.

Education

Frontend Simplified Institute Jan 2026 - Sep 2026

Software Engineering Program, Frontend Development (completed)

Maryville University of Saint Louis Jan 2026 - Present

MSN, Adult-Gerontology Acute Care Nurse Practitioner (in progress)

Western Governors University Jan 2021-Apr 2024

Bachelor of Science in Nursing (completed)

Broward College 2013 - 2016

Associate of Arts, Registered Nursing (completed)
