Portfolio: breanna-portfolio.vercel.app

PROFESSIONAL SUMMARY

Registered Nurse, frontend developer, and U.S. Army officer combining extensive clinical operations experience with modern technology skills. Experienced with Epic EHR and MEDITECH as a clinical end user, healthcare workflows, documentation, React/Next.js, TypeScript, REST APIs, and AI-adjacent development.

CORE QUALIFICATIONS

Healthcare: Epic EHR, MEDITECH, Clinical Workflows, EHR Documentation, Telecare Triage, Acute Care, Behavioral Health, Care Coordination

Technology: React, Next.js, TypeScript, JavaScript, HTML5, CSS3, Tailwind CSS, REST APIs

Tools: Git, GitHub, Vercel, Vite, npm, VS Code, Figma, Jest

HEALTHCARE & TECHNOLOGY EXPERIENCE

VITAS Healthcare | Feb 2026 - Present

Telecare Triage Registered Nurse

- Perform remote triage, prioritization, electronic documentation, and care coordination while independently managing concurrent, time-sensitive workflows.

Skinstrie AI x Frontend Simplified | Remote | Sep 2026

Frontend Developer Intern

- Built and deployed a Next.js/TypeScript AI image-analysis application from Figma designs with REST APIs, browser camera/selfie functionality, validation, and interactive demographic results; project received mentor approval.

HCA Healthcare / HealthTrust | Jan 2024 - Present

Registered Nurse - Med-Surg/Telemetry & Behavioral Health

- Work across acute-care and behavioral-health settings using MEDITECH, clinical documentation, rapid prioritization, and interdisciplinary workflows.

Additional Nursing Experience | 2020 - Present

Cleveland Clinic | Novant Health | ECU Health/Roanoke-Chowan | Travel, Critical Care, School Contract & Home Health

- Used Epic EHR across multiple hospital systems for clinical documentation, chart review, care coordination, and multidisciplinary clinical workflows.

U.S. Army Reserve | 2017 - Present

First Lieutenant / Registered Nurse (66H); previously 12N

- Lead in high-accountability environments requiring disciplined execution, safety, documentation, and operational coordination.

TECHNICAL EXPERIENCE

Frontend Simplified Institute | Remote | Jan 2026 - Present

Software Engineering Program

- Build responsive React/Next.js applications using JavaScript/TypeScript, APIs, routing, Git/GitHub, Jest, and modern frontend workflows.

EDUCATION

Maryville University - MSN, Adult-Gerontology Acute Care Nurse Practitioner (AGACNP) - In Progress

Western Governors University - Bachelor of Science in Nursing

Broward College - Associate of Arts
